

Chestnutwold Elementary School PTO After-School Club Contract Agreement

Dear Parent/Guardian,

In alignment with Chestnutwold Elementary School the PTO participates in the Responsive Classroom philosophy. The three basic tenets of Responsive Classroom are as follows: Respect Yourself; Respect Others and Respect the Environment. Every effort is made by the parent volunteers who are running the various after-school clubs to enforce these basic rules to ensure that your child is involved in an activity that is enriching yet safe and nurturing. Therefore, it is vital that you assist us in this area. By signing below, you and your child agree to the following:

1. You agree to pick up your child at the designated ending time determined by the club leader. If you are late two times throughout the school year when picking up your child, your child will be dismissed from the after-school club for the remainder of the school year. (Of course if you come across an unforeseen event, this will be taken into consideration and your child will not be penalized for this.)

2. Discipline problems cannot and will not be tolerated. Abusive language, lack of cooperation with adults, and physical abuse of others are not permitted. Should this occur, the parents will be notified and they will meet with the club leader and/or Mrs. Leach to discuss the child's behavior. Should a second disciplinary situation occur, the parents will be notified and child will be dismissed from the after-school club for the remainder of the school year.

3. Disrespect or mistreatment of Chestnutwold's school property will not be tolerated. The first time any child is found damaging tables, walls, equipment or isolated areas (such as the bathroom) the parents will be notified and they will meet with the club leader and/or Mrs. Leach to discuss how the child will remedy the situation. Should this occur a second time, the child will be dismissed from the after-school club for the remainder of the school year.

Again, the goal is to ensure that your child is in an enriching program that is safe and nurturing. By signing to this contract, you and your child are agreeing to all of the above and fully understand all information listed on this form. **Please send this form back with your child to be turned in to the main office.**
