

SOOOOOO MANY APPS

We know. It's a lot. So we made you this handy guide.

The Chestnutwold PTO uses **FreshSchools** as our school directory and main source of email communication. Updates on school events, PTO meetings, and "what is happening" will be sent directly to you through FreshSchools.

If you have not already registered, please do so today!

The **PowerSchool** App allows you to view student information such as grades, schedules, and attendance. You can also complete district forms and view digital documents such as bus passes and report cards.

The **SchoolCafe** App allows parents and guardians to view lunch balances, add additional funds, and see purchase history.

The **NutriSlice** app shows you Chestnutwold's monthly lunch menus as well as nutritional information.

Canvas is the district's learning management system. Parents can create an observer account to view their child's assignments.
